Classes

The Classes tab provides options for students and faculty. Students can view their course schedules and display a list of the permission requests they have sent to faculty members asking that they be allowed to register for their classes. Faculty members can view their class lists, set up their course sections, create their Course Home Pages, enter student grades, and specify which course information their assistants can access.

Classes

The Classes tab provides options for students and faculty. Students can view their course schedules and display a list of the permission requests they have sent to faculty members asking that they be allowed to register for their classes. Faculty members can view their class lists, set up their course sections, create their Course Home Pages, enter student grades, and specify which course information their assistants can access.
